Residential on 0.47 Acres

NONE, Heritage Pointe, Alberta

Welcome to Heritage Pointe—where timeless design, privacy, and peaceful living converge. This walkout bungalow has over 2900 square feet of developed living space and is quietly tucked at the end of a cul-de-sac on one of the largest, most private lots in the community. Backing onto a protected ravine and lush green space, this is a setting that offers both solitude and scenic beauty—visible from every room, every season. The main floor is anchored by a sprawling master suite—taking up nearly one-third of the upper level—with double closets and a custom walk-in shower. Real wood cabinetry, slate tile, and oversized windows throughout add texture and warmth, while the walkout basement offers two additional bedrooms filled with natural light. Outside, architectural landscaping and curated gardens wrap the home in colour, privacy, and possibility. Whether you're entertaining, planting, or simply taking it all in, the lot is a standout. Upgrades include a new roof, new furnace, water heater, PEX plumbing, triple garage, and permanent Gemstone lighting for elegance year-round. This is a rare opportunity to downsize without compromise in a home that's refined, never pretentious—ideal as a full-time residence or a lock-and-leave retreat. Living in Heritage Pointe means access to year-round lake amenities, private pathways, and a community that still believes in peace, pride, and privacy. This is where life slows down—without missing a beat.
